VOL. VIII. NO. 195.

CHICAGO, FRIDAY, AUGUST 15, 1902.

PRICE 5 CENTS

FAVORITES' DAY.

The sport at Harlem yesterday, barring the sudden form reversal of Guy H., was clean cut throughout and was enjoyed by the largest gathering of the week.

Although there was no stake race on the program, it was well balanced throughout and was productive of one of the most exciting contests of the year. This occurred in the fourth race, a handicap dash of one mile for three-year-olds. Lucien Appleby, which was held at 7 to 5 in the betting, ran to his best form and brought the entire grandstand to its feet by his cyclonic rush in the closing strides. To a good start Corrigan at once took command, closely followed by Autumn Leaves and Bragg, with Lucien Appleby trailing along in last position. Going down the backstretch Corrigan increased his advantage to four lengths, with little change in the positions of the four back of him. Turning for home he had a good margin of five lengths over Lucien Appleby, which had improved his position after the first half mile had been run. In the last eighth Corrigan, apparently running well within himself, appeared the winner, but along in here Buchanan, working like a demon on Lucien Appleby, gradually cut down his lead. Ranch, seeing his peril, began to ride Corrigan hard, but the colt failed to respond and swerved slightly. Even then it appeared as if Corrigan would last in front to the wire, as Lucien Appleby in the last sixteenth swerved badly toward the outside rail. Buchanan rallied him quickly, however, and, running true, he closed up on the tiring Corrigan with a splendid burst of speed, passing under the wire a neck in front going away. Bragg finished a very poor third. Autumn Leaves ran well for six furlongs. Flora Pomona was never a serious factor. Buchanan was greeted with vociferous applause when he cantered Lucien Appleby back to the judges' stand.

Muresca took the day's opener with ridiculous ease. Off well in her stride she rushed to the front and fairly spreadeagled the field, winning eased up to almost a walk by eight lengths. Ailyar appeared to have an easy thing of it for second place in the last eighth, but nearing the last sixteenth Huzzeh closed up fast on him and he had to be driven out to the limit to finish second by a head. Lady Idris showed early speed. Ailyar appeared high in flesh and ran nowhere near to his best form.

The light-weighted Topsoil had no trouble whatever in annexing the purse of the second race to his owner's credit. The track was custom made for him and he won as the betting indicated. Duellist led by a fair margin until just entering the last quarter, where Topsoil went to the front at call, winning in a canter by four lengths from Zyra, which beat the tiring Duellist two for second place. Antonius showed a little early speed. Mirance ran a dull race, simply because little Knapp was not strong enough to ride him with sufficient vigor.

Piederich, ably ridden by Ranch, proved to be much the best in the third race, a dash of one and one-eighth miles for four-year-olds and upward. He was held at even money in the betting and won as a first choice should win. Off in front he always held an easy command, winning as his rider pleased by three and one-half lengths from Strangest, which beat Charley Moore two and one-half for second place. The last named ran a good race for seven furlongs in going none too well to his liking. Galathee showed well for six furlongs.

The talent was divided in its choice between St. Minor and Gregor K. in the fifth race, a dash of six furlongs for two-year-olds, but neither cut much figure in the race, Gypzene making both look cheap. Off well in her stride Gypzene at once rushed to the front and kept gradually going away from the field until at the end she finished seven lengths in front of Airlight, which beat Ahola on the post a head for second place. Gypzene revelled in the soft, lumpy going and was much the best at the weights. Ahola should have been second, but

little Knapp was too weak to give her the vigorous ride she requires. Airlight finished well and showed a relish for the going. Gregor K. tired fast after a half mile had been run. St. Minor also tired in the last eighth.

The last race went to Pirate's Queen, which led all the way and won by one and a half lengths from Ida V., which beat Guy H. one for second place. The last named showed a marked form reversal over his race of the day previous.

The track was soft and lumpy and favored mud horses. At its best today it will be slow.

SARATOGA GOSSIP.

SARATOGA, N. Y., August 14.—Sensational rumors are afloat that the great two-year-old, Mexican, the star of the recent Mackay sale, bought by R. T. Wilson, Jr., for \$20,000, is lame. The general surprise felt at the colt's failure to fetch a price nearer \$50,000, a figure which Mr. Wilson publicly stated after the sale he was prepared to pay to get him, may be explained by the fact that a prominent veterinary surgeon, at the instigation of George Gould, had failed to pass him as sound. It appears that the colt is developing a ringbone, and his new owner is making overtures for his return.

The prominent layer Sol Lichtenstein was heard to say that J. A. Drake won the largest bet of his career on the American turf, over the victory of his crack two-year-old, High Chancellor. Mr. Gates paid the ring a memorable call when he laid his wagers in person accepting even money for his \$50,000, which is one of the largest wagers ever made in a bookmaker's inclosure in this country.

This son of Oddfellow—Leonatus mare No. 2 was bred by "Kit" Chinn, who is now starting on the Montana tracks, and raced with much success in California last spring. The colt has journeyed to and from California, some eight thousand miles, and steadily campaigned for seven months and today came out of the most impressive victory of his career without turning a hair and in the pink of condition.

C. T. Patterson, trainer for Burns & Waterhouse, is ill and was not present to see Maxnie's brilliant race today, which stamps him one of the top-notchers of the season, being beaten only a long neck in American record time of 1:25½ for the seven furlongs, conceding from 17 to 51 pounds to an all aged field. The winner Chuctanunda, the greatest sprinter in America today, was in receipt of 23 pounds, weight for age.

Erbsmehl, an apprentice jockey who rode Dr. Hughes and suffered serious injury when his mount fell soon after the start in the fourth race, is still unconscious and likely to die.

The betting operations in the ring here are on a stupendous scale. Nothing like it, it is admitted, was ever known on the Metropolitan tracks except on handicap days. Joe Ullman alone handled \$129,000 on the day and on some of the horses stood to pay out \$78,000. His losses on the six races totalled \$30,000. Cowan, another of the leviathan layers, was \$21,000 loser after the fourth race and broke \$11,000 to the good after the day's operations had closed.

The Chicago crowd had the ring on the verge of a panic in the fifth race. Gates again came into the ring and bet \$1,000 to \$5,000 at a crack on Titian, which was hammered down from fours to 8 to 5 and an unprecedented scramble ensued on the part of the layers in their endeavors to hedge, the majority taking 3 to 1 and even 2 to 1 for part of what they had originally laid Gates 4 to 1.

James Rowe intends to start three if not four of the Keene two-year-olds in the Futurity, for which his chances look particularly rosy. J. E. Madden thinks Merry Reel, which makes her eastern debut tomorrow will win it.

Mr. E. K. Wheeler, a prominent society man and an important acquisition to the turf, purchased and started a two-year-old today for the sole purpose of claiming Orloff, in which he was successful. He had endeavored in vain to obtain him by purchase.

Winner—B. h. by Rayon d'Or—Lady Kidbrook (trained by W. Karrick).
Went to post at 2:15. At post 2 minutes. Start good. Won easily; second the same. Kilogram showed the way and, favored by the dearth of early speed behind him, came away in the last quarter cantering and was much the best. Drummond moved up with amazing speed on the stretch turn and was a strong second. Rossignol, away badly, closed a gap and finished with a rush. Wellesley followed the winner closely for six furlongs, but was tiring in the stretch. Cogswell was going well at the end. Martin Burke ran poorly throughout.

Winner—B. c. by Laureate—La Tosca (trained by W. Hayward).
Went to post at 2:40. At post 8 minutes. Start fair. Won in a canter; second driving. Chuctanunda far outclassed his field and is probably the greatest sprinter of the year. He indulged Ordnung with the lead to the stretch turn, where he forged to the front and was hard held throughout. Maxnie, skillfully handled, waited in behind the pacemakers and moved up fast when called on in the stretch. He ran a high class, game race and is one of the best two-year-olds of the season. Redpath, nearly left, ran kindly under the light weight and closed a tremendous gap, finishing very fast. Ordnung displayed his usual brilliant speed and hung on remarkably well after his heart-breaking effort with the winner for a half. Lord Pepper, which is fast and can win good races, was close up for the first half in spite of the terrific pace. Maud Gonne could not get into serious action early in the game. Numeral and Extinguisher went well. Athlete was prominent when a furlong out and will do to watch.
Scratched—(34188) Colonel Bill, 112; 34268 Sadducee, 108; 34236 Slipthrift, 103; 34292 Daly, 98; 34114 Sweet Tooth, 97.

Winner—Ch. c. by Goldfinch—Lucania (trained by G. B. Morris).
Went to post at 3:15. At post 2 minutes. Start good. Won easily; second driving. Cunard, in an effort to place him, ran under a choking pull for the first mile and stole a long and winning lead on the stretch turn. He was best and is steadily improving. Gold Cure was reserved for a final stretch run and made good in brilliant fashion, but Shaw was a little late in making his move and the winner made most of this advantage. Keynote, pocketed and crowded in next to the rail in the stretch, finished fast and gamely and is in fine form. Slipthrift moved up very fast on the stretch turn, but fell away unexpectedly after being apparently secure of second place. Highlander fell away when the real racing commenced.
Scratched—34239 Arsenal, 129. 33179 Pentecost, 116; 34239 Whiskey King, 111; 33944 DeReszke, 111.

Went to post at 3:40. At post 4 minutes. Start good. Won in a canter; second driving. High Chancellor outclassed the field, indulged the pacemaker and came away like a flash when called on and was easing to a walk at the end. Flying Prince, evidently a good one, closed up very strongly at the end and was easily second best. Merry England was a prominent contender to the stretch and held on well at the end. Governor, big and evidently short, closed a gap and finished strongly. W. R. Condon quit in the stretch and will stay better in mud. Tantalus Cup ran a bad race and lacked his recent speed throughout. His race was too bad to be true. Innsbruck was practically left.

NOTES OF THE TURF.

Because of a six furlongs workout in 1:14 J. E. Madden is reported to have offered C. R. Ellison \$30,000, or \$15,000 and 30 per cent. of the colt's winnings, for his recent purchase, Skilful. Ellison bought the colt at the Mackay sale Tuesday for \$7,100.

In an automobile accident near Paris, France, yesterday, Charles Fair and his wife were both killed. Mr. Fair formerly owned and raced quite a number of horses that were good performers in their day.

M. F., Chicago. Topsoil has only won races for two-year-olds. Jack Rattlin's last race at Washington Park was run July 12. Lyne rode him and his post price was 8 to 5.

Inquirer, Chicago. Your wager on John Bright stipulating 4 to 5 or no bet was a draw, because his "ticker" price, had he won, would have been less than the price stipulated.

"Father Bill" Daly returned Bluff to Frank Brown, trainer for Senator McCarren, at a slight profit over what he paid for the colt yesterday.

"Mose" Goldblatt has been relieved from suspension by the Highland Park authorities, which will enable him to start his horses at Kinloch.

It is said that August Belmont will retire Octoroon to the Nursery Stud at an early date, or as soon as she gets out of the maiden class.

W. J. Arkell has decided to withdraw from the turf for the present owing to the death of his father.

J. Howard, Chicago. Your wager on Wax Taper was a loser. You should have backed the entry.

Mexican has been reported to be lame and unsound, but trainer Healey denies the report.

Reader, Toledo, Ohio. Yes. Racing was conducted at Monmouth Park in 1893.

Cash, Chicago. Hindi was Bennett's entry in the fifth race at Harlem Monday.

J. J. M., Chicago. Your wager won at the closing odds on Brigadier.

Barton, Chicago. Your wager on Adios was a draw.

C. H. L., Chicago. Van Hoorebeke was "out" to show.

Nie, Cincinnati, Ohio. Hardly has been retired.

LOCAL TURF GOSSIP.

F. D. Weir has shipped his horses, which include Brigadier, to St. Louis to race at Kinloch Park.

F. Cook has purchased at private terms from R. Bradley the two-year-old Mirance.

Secretary Jasper of the Worth track will be at Harlem this morning and accept entries for the handicaps to be run on the opening day at Hawthorne.

Recent misplaced talk concerning "form" reversals has caused John Condon to suggest a plan that will in a measure lessen this evil in future, and if any wrongdoing is being perpetrated it will be an easier task for the officials to lay the responsibility at the door of those guilty. Mr. Condon's plan is to have the presiding judge of the Hawthorne course and the chief official of the Harlem track to be in the same stand regardless of which course the racing is going on. Judge Trevelyan, who is the presiding judge at Hawthorne, could act with Judge Hamilton while the racing was going on at Harlem, and Judge Hamilton could act in the same capacity at Hawthorne, thereby giving each accurate knowledge of the form of the horses on both tracks.

HARLEM FORM.

The form of Friday's Harlem fields is:
First Race—Alene Abbott, Blessed Damozel, Mackey.
Second Race—Montanic, Emma A. M., About.
Third Race—Ezell & Lazarus entry, Scorpio, Wenlock.

Winner—Br. f, by Handspring—Splendour (trained by J. McGeehan).
Went to post at 4:05. At post 3 minutes. Start fair. Won easily; second the same. Miss Buttermilk moved up fast on the far turn and quickly took and retained a winning lead without much effort. Octoroon was indulged and nursed for the first half and ran kindly in the stretch where she closed a big gap. Titian broke slowly and made up much ground gradually and finished strongly. Valley Forge, excessively used in the first six furlongs, tired in the last furlong and was eased up at the end. Rock Cliff is evidently short and should improve. The Cuckoo is a non-stayer.

Scratched—34264 Filiform, 114.
Miss Buttermilk, show, 3 to 5. Octoroon, show, show, evens. Titian, show, 1 to 2. Valley Forge, show, 7 to 10.

Winner—B. f, by Sensation—Sieve (trained by F. Burlew).
Went to post at 4:30. At post 5 minutes. Start straggling. Won easily; second driving. Mary McCafferty got away running and made most of her advantage, quickly opened up a gap on the field, which she widened as the race progressed and finally galloped home eased up, displaying remarkable speed.

Orloff, away badly, closed an immense gap and finished like a cyclone. Wannakee broke flatfooted and was interfered with early, but ran a fast and thoroughly game, but unlucky race. Wartte Nicht made up much ground and finished strongly. Tom Maybin was probably short and should improve. Cloche d'Or is steadily improving. Squanto was nearly left.

Scratched—34359 W. R. Condon, 110; 33778 Demi Tasse, 107; (34240) Shrine, 105; 34162 Dr. Bissell, 102; 34092 Baron Knight, 100; 34240 Cincinnati, 100; 34215 Sweet Alice, 99; 34017 Australia, 97; 34288 Ithan, 97.

15 to 40 to 1 "Good Thing" Today.

This one will have a good rider up and we advise all our clients to "plunge for the limit." MOABINA, 40 to 1; LUKE WARD, 60 to 1; BROWNIE ANDERSON, 30 to 1; were a few of the long shots we gave out in the past ten weeks—good things, won easily. We consider our extra long shot today fully as good as were the above three winners. Under no circumstances fail to get this good thing today. Whether you are a winner or a loser you can not afford to miss this grand opportunity to make big money with small capital.

Saturday we Expect to Unbottle Two Long Shots. The Odds Should be 6 to 1 or Better on Each.

ALSO 6 TO 1 EXTRA SPECIAL.

These two good things will be cut loose for a large coup. The long shot has been prepared for this race on another race track and was shipped here good and ready. I advise all my patrons to call at my office and get this special information, as I consider these worth a good bet and in a soft spot where they should win easily.

PIEDERICH AND LUCIEN APPLEBY

our good things yesterday, both won, but our extra special lost and will exchange yesterday's sheet, to give all our patrons an opportunity of taking part in our coup today.

Winner—Ch. g. by Mariner—Marinette (trained by C. A. Johnson).
Went to post at 2:49. At post 2 minutes. Start fair. Won easily; second the same. Master Mariner was rated behind the sharp pace to the last hundred yards, swung wide in the stretch and came on when let down and won leisurely. Flop ran an extra good race and was well ridden. Malaise had speed and was well ridden, but tired in the run home. Marco Polo closed well from a bad beginning. Miss Guido, badly ridden, had early speed. She was bumped about at the head of the stretch when she was a sharp contender.
Master Mariner, show, 1 to 2. Flop, show, evens. Malaise, show, 2 to 1. Judge Pettus, show, 3 to 5.

Time, 1:24, 48, 54.
Winner—B. f. by Wagner—Sallie Marshall (trained by J. E. Hickey).
Went to post at 3:25. At post 1 minute. Start good. Won driving; second easily. Two Lick broke in the rear, shot to the front with a dazzling burst of speed, but was tiring all through the stretch. Miller pinched Geheimniss on the rail in the stretch and Dean had to pull up and go around. This lost Geheimniss the race. Tom Cogan closed resolutely. Sanctissima ran an extra good race for a green filly. A jam after the start spoiled the form of the race.
Scratched—32811 Gold Cockade, 110; 33959 Frances Porter, 105.
Overweights—Fair Lady Anna, 1 pound.

Went to post at 3:47. At post 2 minutes. Start poor. Won cleverly; second easily. Eva's Darling was restrained to the stretch, then came on and won as she pleased. Sinfi ran a good race and for her displayed amazing power to stay. Reducer, slow to begin, and taking the long way, ran a very good race. The Boer had an easy race and can do better. Louis Wagner was cut off at the first turn, thrown on the fence and pocketed to the last eighth. He came fast in the stretch, but was cut off at the eighth pole. Federalist ran a bad race. He can do much better. Kingstelle stopped.
Scratched—34223 Jane Oaker, 96.
Overweights—Reducer, 2 pounds; Louis Wagner, 1; Federalist, 1.

Winner—Ch. m. by Ben Strome—Ban Amy (trained by L. Johnson).
Went to post at 4:15. At post 5 minutes. Start poor. Won driving; second easily. Kittie Clyde had the benefit of a good ride, got a good position after the straggling start, was within striking distance of the leaders all the way, came fast in the stretch, answered the drive gamely and just did last long enough. Glenwood's race was startling in view of his recent performances. He closed with a tremendous burst of speed and would have won in another stride. Southern Breeze ran a good race. Peaceful had speed, but tired in the closing strides. Beana was in close quarters to the stretch and did not run her race. Satin Coat was a contender to the last eighth, then tired. Zazel had an easy race.
Scratched—34196 Tickell, 103; 34159 Colonel Ballantyne, 100.
Overweights—Satin Coat, 2 pounds.

Winner—Br. f. by Preston—Mura (trained by C. Lind).
Went to post at 2:30. Off at the first break to a good start. Won easily; second driving. Muresca revelled in the heavy going and simply played with the field. Ailyar appeared high in flesh and ran nowhere near to his best form. He tired fast at the end and had to be driven out to the limit to get second place. Huzzah finished strongly after making up ground in the last three furlongs. Lady Idris showed early speed.

Went to post 2:45. At post 6 minutes. Start poor. Won easily; second the same. Fannie Blazes set her own pace and, after disposing of Knapsack, was never in trouble. Wilson saved ground with her all the way. Little Rock was cut off shortly after the start and had to go around the field, made up a lot of ground and finished strongly. Cast Iron had no chance from where he got off, had to take the overland route to get up and would have been a sharper contender with an equal start. Blue Ridge and Rio Bamba also suffered at the start. Chandoo weakened in the stretch. Knapsack showed speed for five furlongs.

Winner—Ch. f. by Lamplighter—Jean (trained by T. P. Hayes).
Went to post at 3:24. At post 6 minutes. Start good. Won driving; second handily. Chickasha came with a rush in the final furlong and got up in the last stride and finished very gamely under a drive. Helen Oakford tired and faltered in the closing strides, after showing a lot of speed. Tom Hall ran a splendid race, began slowly and was at least ten lengths out of it on the last turn, came very fast through the stretch and was catching the leaders at every stride. Judge Voorhees and Cursum tired in the run home. Lorne and Woolscap were cut off and knocked out of it on the far turn. Hallucination ran a dull race.

Scratched—34075 Require, 103.
Overweights—Judge Voorhees, 5 pounds; Cursum, 3; Woolscap, 3.

Winner—Ch. g. by Deceiver—Mamie Cole, by Silvermine (trained by G. H. Marlmann).
Went to post at 3:57. At post 3 minutes. Start good. Won driving; second easily. Meggs showed the most speed, went to the front soon after the start and opened up a winning gap, but had to be hard ridden to stall off Secundus at the end. The latter was outrun in the first part of the race, but came strongly in the stretch and was overhauling the leader. Baffled was pocketed at the stretch turn, but ran in much improved form. Lou Rey was thrown on the fence just after passing the judges' stand the first time and closed a big gap, but the effort told on him at the finish and he tired and quit.
Meggs, show, 3 to 5. Secundus, show, 2 to 5. Baffled, show, 7 to 10. Lou Rey, show, 1 to 2.

Winner—Ch. c. by Fonso—Eva R. (trained by J. Hall).
Went to post at 4:23. At post 2 minutes. Start good. Won driving; second the same. Uledi wore down Lady Strathmore, caught her at the turn into the homestretch and outgamed her when it came to a drive. Lady Strathmore was probably short. She showed the most early speed, but was tiring in the last furlong and barely managed to last long enough to get second place. Lady Kent closed up with a rush in the last sixteenth and would have won in a few more strides. Bill Massie showed speed but weakened when it came to a drive.

Winner—Ch. g. by Hawksley—Flora (trained by R. Cassidy).
Went to post at 4:55. At post 5 minutes. Start good. Won easily; second the same. Lithium showed much the most speed, was never fully extended and was eased up in the last sixteenth. Edinborough was the best of the others and had no trouble in getting second place. Annie Lauretta ran to her best form. Candling ran a good race and will improve. Elsmore went to his knees shortly after the start.

Went to post at 5:25. At post 5 minutes. Start good. Won driving; second easily. Terry Ranger cut the corner at the turn into the homestretch on the flat, saved a lot of ground and was hustled along all the way. Arius was the best and should have won, but Brazil made a wide turn at the turn onto the flat, let go of his head and allowed him to bolt to the outside fence. This lost him the race. Yasodhara

was never dangerous. Lady Ursula unseated Slater at the fifth jump and Captain January refused at the second.

STAKES CLOSE TODAY.

At midnight of this day entries to two big lists of rich and important stakes will close, and owners who have neglected to forward their nominations have little time to lose. These stakes are offered by the Brooklyn Jockey Club and the Westchester Racing Association.

The stakes offered by the Brooklyn Jockey Club are all guaranteed stakes, with added money generously arranged for. Thus, while the guarantee shows the minimum value of the stakes, if the nominations are sufficiently strong the actual value may possibly exceed the guaranteed gross value printed. This is more than likely in view of the steadily increasing popularity of this club's fixtures.

These are all stakes which will be run in years to come. The two-year-olds, now yearlings, will meet at the spring meeting of 1903 at the Brooklyn Jockey Club in the Great American, \$2,500 added, five furlongs, at a guaranteed gross value \$12,500; the Tremont, \$2,500 added, six furlongs, guaranteed gross value \$10,000; the Expectation, \$1,500 added, five furlongs, guaranteed gross value \$5,000; the Hudson, \$1,500 added, five furlongs, guaranteed gross value \$5,000; the Criterion (for fillies), \$1,500 added, five furlongs, guaranteed gross value \$5,000. On the first day of the autumn meeting of 1903 will be run the Junior Champion of \$2,500 added, at six furlongs, guaranteed gross value \$15,000. These all close August 15.

For three-year-olds in 1904, now yearlings, to be run at the spring meeting of 1904, is the Brooklyn Derby, \$2,500 added, a mile and a half, guaranteed gross value \$10,000; the Carlton, \$1,500 added, at a mile, guaranteed gross value \$5,000; the Gazelle (for fillies), \$1,500 added, a mile and a sixteenth, guaranteed gross value \$4,000, and at the autumn meeting of 1904, the Hindoo, \$2,500 added, a mile and six furlongs, with a guaranteed gross value of \$15,000.

The Westchester offering is more extensive, embracing many stakes to be run off this fall, as well as of famous fixtures to be decided in other years to come.

The autumn meeting of 1902 has the following two-year-old events to close: The Hurricane, \$1,500 added, five furlongs; the Rancho del Paso, \$1,500 added, Eclipse course; the Silver Brook, \$1,500 added, five and a half furlongs, and the Castleton, \$1,500 added, five furlongs.

For three-year-olds is the Hunter, \$1,500 added, the Withers mile; the Belle Meade, \$1,500 added, seven furlongs; the Fairview, \$1,500 added, mile and a sixteenth over the hill; the McGrathiana, \$1,500 added, seven furlongs; the Dixiana, \$1,500 added, over the Withers mile, and the Ramapo Handicap, \$2,000 added, a mile and a furlong.

For two-year-olds and upward will be provided two new events, the Mamoroneck Handicap, \$2,000 added, at a mile and a quarter, and the Casanova, \$1,500 added, for two-year-old fillies and upward, seven furlongs; there will also close the usual events of the Manhattan Handicap, \$1,800 added, over the
